

Rotary PEOPLE OF ACTION

Club Of Georgetown

District 7030 | Club 6810

Dear Medical Mission Called To Serve Inc.,

On behalf of the Rotary Club of Georgetown, I would like to extend our deepest gratitude for your invaluable contribution of USD9,958.50 Cash Donation to our recent medical outreach in Port Mourant, Berbice. Your partnership and support were instrumental in making this event a resounding success.

The collaboration between our organisations for this medical mission has left a lasting impact on the community, especially in the traditional sugar plantation region. Through the grant provided by Medical Mission Called To Serve Inc., we were able to purchase and distribute essential medical equipment such as blood pressure machines and glucometers, benefiting many individuals in need.

Furthermore, your generous donation of 160 bags of rice to the needy, elderly, pensioners, and single mothers in the community has provided much-needed relief and support to those facing hardship. This act of kindness embodies the spirit of compassion and service that both our organisations strive to uphold.

Once again, thank you for your unwavering commitment to improving the health and well-being of the communities we serve. We look forward to continued collaboration and partnership with Medical Mission Called To Serve Inc. in our future endeavours.

With sincere appreciation,

Devindra Kissoon
